tesa® 6012
Manual Multi-Track Desk Dispenser

Product Information

Manual multi-track desk dispenser

Product Description

The tesa® 6012 is a multi-track desk dispenser for tesa® packaging tapes of up to 66 m length and 50 mm width. Due to the extra-wide blade design the dispenser can easily be loaded with two rolls of tape at the same time (e.g. different widths or colors). The tesa® 6012 dispenser is a sturdy metal-base all-purpose dispenser for production and warehouse use, for sealing small packages and for taping wrapping paper. In addition, the integrated safety-blade cover helps to prevent injuries when the dispenser is not in use.

Product Features

- Due to the extra-wide blade design the dispenser can easily be loaded with two rolls of tape at the same time (e.g. different widths or colours).
- The integrated safety-blade cover helps to prevent injuries when the dispenser is not in use.

Application Fields

The dispenser can be fastened securely with the supplied clamp or with screws on the packing table (four screw holes are prepared). Tape is easily dispensed and cut along the extra wide serrated blade. An additional safety blade-cover prevents injuries.
