

# tesa® Insect Stop Clip-on frame

## Product Information

BNR 55360

### Product Description

tesa® Insect Stop Clip On frame is easy to assemble and customize to fit most PCV-window frames. It is also translucent, allowing clear visibility.

### Product Features

- Easy installation: Thanks to the practical clip mechanism, it is easy to install in the window frame
- Long-lasting: The fiberglass net lasts for several years thanks to its high UV resistance
- Innovative: Easy to remove and reattach during winter or when cleaning windows
- For a clear view: With Clear View Plus, the fly net offers a particularly high level of visibility
- Customizable: The frame can be individually adapted to the window size for an optimal fit
- Suitable for various PVC frames: The mosquito screen requires approx. 8 mm space on the window frame
- Practical: Easily mounted thanks to self-adhesive retaining clips - no need to drill or use tools
- Scope of delivery: Cut-to-size clip-on fiberglass frame - Self-adhesive holding clips
- 3-year warranty: Lasts longer than a conventional fly screen

### Technical Information (average values)
