tesa® 54999 PV1

Product Information

PSA Tabbing Tape for an easy finger-lift solution

Product Description

tesa® 54999 PV1 is a green translucent tabbing tape featuring a PET backing with a silicone adhesive and a white finger lift.

Product Features

- Translucent for an easy and secure application
- High stiffness for good workability
- White finger-lift for accurate positioning
- tesa® 54999 is available on a special white PET liner

Application Fields

- Finger-lift for fast liner removal on roll application and die cuts
- For straight tabbing applications, commonly used for bridging to remove the liner from several pieces of tape and/or die cuts in just one operation
