tesa® Professional 4348 Painters' Tape

Product Information

Flexible masking tape for indoor painting applications

Product Description

tesa® 4348 is a slightly creped, tear-resistant standard masking tape with a natural rubber adhesive mass that is perfectly suited to indoor painting tasks.

Product Features

- The supple masking tape can be torn by hand, used for up to 7 days, and is easy to remove after use.
- Thanks to its excellent adhesive strength, it enables clearly-defined edges during painting work and is a reliable tool for professional painters.

Application Fields

- Indoor applications
- Clean edges to paint and lacquer
- For smooth surfaces
- For simple painting tasks
