

# tesa® Easy Stick

## Product Information

BNR 57030, 57047, 57272, 57048

## Product Description

The tesa Easy Stick is an universal glue stick for home and office. Its triangular shape allows precise glueing of lines, points and corners.

## Product Features

- Suitable for paper, cardboard and photos
- Easy to spread
- Grease-free application
- Odourless
- Can be washed out by hand
- Free of solvents, therefore ideal for children
- Triangular shape for quick and precise gluing of lines, points and corners
- Unique shape of the Easy Stick prevents rolling off the table etc.

Ecological attributes:

- The housing is made of 100% recycled plastic
- The glue mass contains 60% natural materials (water) and is solvent free

## Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

## Product Construction

- Type of adhesive epoxy-based

## Properties/Performance Values

- |                             |                |   |                  |
|-----------------------------|----------------|---|------------------|
| • Adhesive strength         | Light adhesion | • Solvent free                            | yes              |
| • Area of use               | Indoor         | • Suitable for children of 3 years of age | yes              |
| • Chemical Resistance       | no             | • Suitable surfaces                       | Paper, Cardboard |
| • Hazard material           | no             | • UV resistant                            | yes              |
| • Humidity resistance       | no             | • Washable                                | yes              |
