

tesapack[®] 6400

Hand Dispenser Comfort

Product Information

Handheld sealing tape dispenser with safety blade and comfort features

Product Description

The tesa[®] Hand dispenser COMFORT is a robust tool designed for the fast and efficient application of tesapack[®] packaging and carton sealing tapes. It was designed with industrial applications in mind and combines top-level quality with proven functionality. A sturdy metal design guarantees flawless functionality while a special soft-grip handle supports ergonomic and intuitive operation. Professional-standard safety is guaranteed by a retractable cutting blade that is activated by a special flap at the front of the dispenser. An adjustable tension control allows using the tesa[®] Hand dispenser.

Product Features

- Very robust due to stable metal frame
