

tesa[®] 6089

Product Information

Dispenser cinta demarcatoria

Descripción del producto

El dispensador Tesa 6089 fue especialmente diseñado para la aplicación rápida y cómoda de cintas demarcatorias de piso tesa 4169 y tesa 60760.

Características

- The dispenser offers of a stable steel body.
- The height adjustable handlebar gives you convenient working conditions.

Aplicación

You can use rolls up to 100m : 100mm. Changing of rolls is very easy and fast. A rubber pressure roll secures the save application even on slightly rough surfaces. The adjustable rear axis allows the marking even under challenging (space wise) conditions. The marking of fixed curves is easily possible. The marking of straight lines is supported by an optional laser guiding systems.
