

# 51721

## Product Information

Dotted bridging label for belt-driven splicers

### Descripción del producto

tesa® EasyBridge 51721 is a die-cut paper label for belt area coverage on belt driven reel stands in the printing industry. It is preferably used in combination with tesa® EasySplice 51780 PV16 PrintLine Plus.

Color: White

### Características

- Noses of 3 mm length to ensure exact positioning
- Circular holes for perfect contact of the splice in the belt area
- Crosswise perforation to allow tear off pieces of suitable length for most common belt widths

### Aplicación

tesa® 51721 is particularly suitable for:

- Belt area covering for flying splice applications in the printing industry
