

# tesa® Combitape solutions

## Two-in-one closure and opening functionality

tesa® Combitape solutions provide benefits to corrugated board producers, consumers, and every touchpoint in between. They innovatively combine box-closure tape with tear-strip functionality for easy opening.

### Benefits

#### Corrugated board producers

- Faster production via in-line application
- Apply closure and opening tape simultaneously on one dispenser
- tesa® Combitape uses limited space and allows greater design flexibility

#### Online retailers / fulfillment centers

- Easy peel-and-seal box closure
- Extended liner for faster liner removal
- Prevents unintentional opening of boxes

#### Consumers

- Frustration-free opening with tear-strip functionality
- Eliminates the risk of damaging box contents with scissors or box cutters
