

tesa[®] VISIOON Cosmetic Mirror Ball Joint, Self-Adhesive, Chrome-Plated Brass

Product Information

BNR 40610

Product Description

An upgrade for your bathroom - this high-quality vanity mirror accomplishes this effortlessly. Its 3x magnification and adjustable spherical joint make it a versatile beauty tool. Chrome-plated brass accentuates its classic look. Cleanly mount the mirror onto the wall without drilling thanks to the practical, reliable tesa[®] Power.Kit technology. Mounting is as simple as it gets, even for those inexperienced in handwork. No drill holes or residue remain after removal.

Product Features

- Cutting-edge mounting technology meets a classic design: The round magnifying mirror is an essential accessory for your bathroom
- Both practical and precise: The mirror's 3x magnification makes it a helpful cosmetic tool
- Adjustable to meet individual needs: The mirror can be optimally positioned thanks to its spherical joint
- High-quality material: Chrome-plated brass gives the mirror an eye-catching look, perfect for any bathroom
- An innovative adhesive technology: Our tesa[®] Power.Kit technology ensures effortless wall mounting - without the need for a drill
- Smooth, straightforward wall mounting: no previous technical knowledge is required to mount the unit - and no mess is left behind
- Powerful adhesive technology: The reliable adhesive system provides a firm and durable hold
- Ideal for rented properties: Our tesa[®] Power.Kit technology leaves no holes and allows for damage-free removal when needed
- May be repositioned after detachment: Once the mounting has been detached without leaving a trace, the mirror can be mounted elsewhere with a new fastening adapter (BK20)
- Adheres to a variety of surfaces: Tile, metal, stone, marble, glass, wood and various types of plastic
- Not suitable for the following surfaces: Plaster, wallpaper, wall textiles and plastics such as PP, PE and PTFE
- Dimensions: Width 142 mm, height 142 mm, depth 80 mm, diameter 140 mm
