

tesa[®] Monteringstape for murstein 10kg/m

Product Information

BNR 77748, 77749

Produktbeskrivelse

Monteringstape for murstein opptil 10kg/m Den værbestandige veien til veggmontering på faste overflater utendørs.

Funksjoner

- For faste overflater som murstein innendørs og utendørs
- Holder opptil 10 kg / m*
- For permanente bruksområder
- Ideell for utendørs bruk
- For optimale resultater er maks. 6 kg per bruksområde/gjenstand anbefalt

Applikasjon

- How to apply – Step by step
1. Use a brush to get rid of dust and grit from your surface. This will ensure an optimal bond.
 2. Check if the surface or the object is rougher and apply the mounting tape to it.
 3. Apply the mounting tape in vertical strips corresponding to the full length of the object and press down firmly all along the tape for at least 5 seconds.
 4. Remove the protective foil and, being careful not to touch the exposed adhesive area at any time, position the item.
 5. Press down firmly on the item for at least another 5 seconds to get as close a bond as possible.
